Linktomyagent

It's here! Xanatek is now offering Linktomyagent.com. Simple and easy to use web forms that will allow customers or prospects to submit quotes, change requests, certificate requests, or general contact inquiries. Once received by you, they can be directly imported into IMS.

Linktomyagent.com works in two ways. A prospect could go to linktomyagent.com and search for an agent by selecting their state, city, and a list of participating agents will be displayed. The second way is a direct link from your website. For example - You can link to linktomyagent.com/youragencypage. Once at your page, your logo and contact information will be displayed.

The customer or prospect can then request a quote for Auto, Home, Life or Commercial. They may also submit an endorsement, request a certificate, general contact inquiry. The submission data will be emailed to you and a copy to your client or prospect. Once received by the agency, you will have a way to add the information to an existing client or setup an entirely new prospect.

This is just the beginning, if response is good, we will be adding commercial line quote forms and more. The cost will be \$200 to setup your pages and \$25 a month will be added to your IMS monthly support.

If you're interested, please contact Brent@xanatek.com

Referral Program

You can make an extra \$100.00 to \$500.00 just by telling your friends and associates about us.

As many of you already know, Xanatek will pay you for each lead that purchases Insurance Management Solutions. We have recently improved the program to require all referral of prospects to be submitted on our website. This is to promote fairness and ensure you get your much deserved cash! Make special note of rule number 2 below to find out how to submit.

Here are the rules:

1. The lead has to be new to Xanatek. If Xanatek has already spoken to the lead, it does not qualify.
2. You have to submit the prospect on Xanatek.com. Please visit our website and submit the name, address, phone and email.
3. First come first serve. Sometimes we will have more than one person refer the same agent. We will pay the referral fee to the first agent who tells Xanatek about the lead.
4. Paid-in-full. The referral fee will be paid after their bill is paid.

Here are some additional tips:

- Have the lead remind us where they heard about us. In other words, have them tell us that you sent them.
- Feel free to ask us how it's going! If you refer someone, we would be glad to keep you informed about the sales process.
- Xanatek may change this program at anytime. We also reserve the right to distribute the amount.

Thanks and keep referring!
